Executive Profile

Saudi businessman and investor who has led one of the Kingdom's integrated contracting groups for more than a quarter century – delivering 105+ projects with contracts exceeding SAR 230 billion, backed by a 22,000-strong workforce and a network of 1,027 suppliers. Served as Huawei's agent in Saudi Arabia for eight years, and today chairs Telfaz Masr for Investment & Project Management, bringing that scale to the development and operation of major commercial and entertainment destinations in Egypt. Combines investment vision with execution discipline, guided by return, risk governance and long-term asset value.

Career

Founder & Chairman 1999 - Present

Awad Al-Qahtani Group for Integrated Contracting – Saudi Arabia

- **105+ projects** with total contract value exceeding SAR 230 billion.
- **22,000 employees** and a supply chain of 1,027 approved suppliers.
- Built the group from founding into one of the major players in the Kingdom's integrated contracting sector.
- Approves strategy, expansion and major investment and contractual decisions; embedded safety and quality standards across sites.

Chairman of the Board 2026 - Present

Telfaz Masr for Investment & Project Management – Egypt

- Leads investment, development and operation of commercial, entertainment and waterfront destinations in Alexandria, Cairo, Sharm El Sheikh and Ismailia.
- **Jewel Festival Alexandria:** integrated beachfront destination with a mall, dining, events and a seafront promenade.
- **Point 6 & Point Hub:** construction investment above EGP 300M, attracting brands that invested over EGP 400M.
- **The Walk & Jewel Festival Nile Club:** repositioning, expansion and operational scaling.

Authorized Agent of Huawei 2015 - 2023

Huawei – Kingdom of Saudi Arabia

- Ran the agency of one of the world's largest technology and telecom companies in the Saudi market for eight consecutive years.
- Built sales and distribution channels, managed commercial partnerships and delivered agency targets.
